3. Summary of proxy voting results

- For the shareholders' meetings from Jul. to Sep., there were 939 cases of company resolutions and no cases of shareholder resolutions. Decisions for approval or disapproval totaled 939 cases.
- Company resolutions comprised 672 cases related to the election of directors, 89 cases related to the election of statutory auditors, 69 cases related to the allocation of income and dividends, and 42 cases related to the amendment of articles.
- Regarding resolutions of allocation of income and dividends, we voted against mainly when we judged there to be insufficient shareholder returns in spite of the company having enough financial capacity.

- Regarding resolutions related to the election of directors, we voted against the appointment of candidates we judged to be responsible for earnings downturns, as well as outside director candidates that we thought lacked independence.
- Regarding resolutions for election of statutory auditors, we mainly voted against outside statutory auditor candidates that we thought lacked independence.
- Regarding resolutions to amend the articles of incorporation, we mainly opposed giving authority, to the boards of directors of institutions, to determine the dividends of companies whose dividend performance is not high.
- As for shareholder resolutions, there was no cases.
