

Responsible Investment Report 2019

### Nomura Asset Management's

As a responsible institutional investor, Nomura Asset Management aims to create a prosperous society by helping clients build wealth. To this end, we must strive to provide better products and services by improving the quality of our investment products in a way that encourages portfolio companies in which we invest to achieve sustainable growth. At the same time, portfolio companies in which we invest are being called on to operate sustainable businesses by efficiently utilizing the funds they have raised. The business activities of these portfolio companies can generate economic value for a large number of stakeholders, including employees, business partners and shareholders.

## Ideal Investment Chain

These companies will also gain acceptance in society by addressing social issues through their own business practices, thereby achieving sustainable growth. This will eventually be reflected in the investment returns enjoyed by clients, including individuals, pension funds and others who entrust their assets with us.

We believe that by creating this kind of chain of virtuous cycles, our investment activity will enable us to realize sustainable economic growth and a prosperous society, ultimately leading to wealth creation for our clients.
